Dear Sir

COURT RULE No. 2003-47

My name is Casper Marchese I live at 211 Bittersweet trail W Monroe Mi 48161. In Retird now Been for 20 years. I work at ford M Co in Monroe for 30 years and have asbestos lung disease in Both lungs. I would like to know why we can't have our Right to a Jury trial I don't know why we can't Recover damages against asbestos manufacturers after all its their fault. I can see why all cases can't Be settle before trial, it seems that michigan and the Michigan Supreme court are being used as tools of the asbestos Industry and Big Business to deny working people their constitutional Right to Jury trial when harmed By corporate misconduct. the Real crisis in michigan is the failure of corporation to take responsibility for their Bad actions and the willingness of Big Business and certain conservative Republican Judges to Blame the victims of corporate misconduct Instead of holding the Corporations accountable why is the michigan Supreme court even Considering taking steps that would effectively change the law By denying michigan asbestos disease victims their Right To a Jury Trial.

thank you

Very truly yours

Mr. Casper Marchese
