Dear Sir:

COURT RULE # 2003-47

My name is Louis Flores from Saginaw, mi
I am writing cause I would like my voice be heard
on behave on the proposed "Court Rule" I am a asbestos disease victim
the public has an opportunity to be heard
The Michigan constitution as well as the United States Constitution
makes it clear that Judge's are not to make the law but rather
interpret the law. Why is the Michigan Supreme court even
considering taking steps that would effectively change the law by
denying michigan asbestos disease victims their right to jury trial.
What are the true facts about asbestos litigation in State of
Michigan. In fact in the last four years, there has been one
asbestos case tried to verdict in the State of Michigan
all other cases settle before trial

Thankyou

Louis Flores
