In regard to Court Rule # 2003-47, I am totaly opposed to this constitutionally illegal, and politically motivated effort to deny me and other working people of their right to a trial by jury.

The Mich. Constitution as well as the U.S. Constitution make it clear that judges are not to make the law but rather interpret the law.

Why is the Mich. Supreme Court even considering taking steps that would effectively change the law by denying Michigan Asbestos disease victims their right to a jury trial

Thank you

Sincerely

Mr Walter A. Paulaf
