Nov 15-03

I want to let you know that I'm Oppose to Court Rule No 2003-47. This is an Illegal and Politically motivated effort to deny me and other working people of their right to a trial by Jury. The Michigan Constitution as well as the United States Constitution makes it clear that Judges are not to make the law but rather interpret the law. Why is the Michigan Supreme Court even considering taking steps that would effectively change the law by denying Michigan asbestos disease victims their right to a Jury trial.
