

Name: JENNIFER THAL

Date: 03/05/2026

ADM File Number: 2025-09

Comment:

An attorney present for PSI would be a hinderance in the investigation of the crime. An attorney cannot speak of the crime, the defendant's explanation of the circumstances, or provide the defendant's background information. Also, since the PSI is not a court proceeding, why would the attorney be necessary in the PSI?
