

Name: Sheldon Larky

An \$80 a year increase is appropriate at this time. For less than \$2 a week, I will continue to receive significant services from the State Bar to continue my practice of law. The State Bar needs to build a cushion for the future. The asked for increase will benefit me and others in the future.

The programs, committees, and services provided by the State Bar need to be protected financially. I urge the Court to approve the \$80 a year increase.
