

Court of Appeals, State of Michigan

ORDER

Emily Tarmnel v Andrew Tarmnel

Docket No. **359777**

LC No. **2013-003465-DM**

Elizabeth L. Gleicher, Chief Judge, acting under MCR 7.201(B)(3), orders:

The above appeal is DISMISSED for failure to pursue the case in conformity with the rules. MCR 7.201(B)(3) and MCR 7.216(A)(10). The Clerk of this Court provided notice regarding the nature of the defects in this filing, and the defects were not corrected in a timely manner by providing this Court with a copy of the court reporter's certificate, a copy of the register of actions (lower court docket entries), a copy of a jurisdictional checklist, and a copy of the order listed on the claim of appeal. Dismissal is without prejudice to whatever other relief may be available consistent with the court rules.

The Clerk's office is directed to send a copy of this order to the Attorney Grievance Commission because this appeal is one of a number of appeals that attorney Jennifer M. Paine (P72037) has failed to properly pursue in this Court after filing appeals on behalf of retained clients, including Docket Nos. 345200, 349752, 350100, 350389, 351113, 352635, 353232, 354290, 356937, 357489 and 359239.
