ADM File Number: 2023-35

Comment:

I strongly urge the Michigan Supreme Court NOT to adopt ADM 2023-35.

Under the guise of eliminating "bias or prejudice" and "harassment" against one group of people (less than 1% of the US and MI population), the rule would be prejudicial to and would harass at least 40% of the population (Catholics, Muslims, Fundamental, Evangelical and other Protestants) who have the religious belief that there can be no more than two sexes (male and female). This proposed court rule imposes a totally unfair orthodoxy backed up by sanctions and even loss of the right to practice law in Michigan.
