On order of the Court, the application for leave to appeal the August 13, 2020 judgment of the Court of Appeals is considered. We direct the Clerk to schedule oral argument on the application. MCR 7.305(H)(1).

The appellant shall file a supplemental brief within 42 days of the date of this order addressing whether the United States Supreme Court's decisions in *Miller v Alabama*, 567 US 460 (2012), and *Montgomery v Louisiana*, 577 US 190 (2016), should be applied to defendants who are over 17 years old at the time they commit a crime and who are convicted of murder and sentenced to mandatory life without parole, under the Eighth Amendment to the United States Constitution or Const 1963, art 1, § 16, or both. In the brief, citations to the record must provide the appendix page numbers as required by MCR 7.312(B)(1). The appellee shall file a supplemental brief within 21 days of being served with the appellant's brief. A reply, if any, must be filed by the appellant within 14 days of being served with the appellee's brief. The parties should not submit mere restatements of their application papers.

The Prosecuting Attorneys Association of Michigan and the Criminal Defense Attorneys of Michigan are invited to file briefs amicus curiae. Other persons or groups interested in the determination of the issue presented in this case may move the Court for permission to file briefs amicus curiae.

We further direct the Clerk to schedule the oral argument in this case for the same future session of the Court when it will hear oral argument in *People v Poole* (Docket No. 161529).
