Judges

The motion to waive fees is GRANTED for this case only.

To the extent defendant's delayed application for leave to appeal challenges the trial court's denial of his successive motions for relief from judgment, the delayed application for leave to appeal is DENIED because defendant has failed to establish that the trial court erred in denying the successive motions for relief from judgment. In all other respects, the delayed application for leave to appeal is DENIED for lack of merit in the grounds presented.
