The motion to withdraw is DENIED for reasons that the appeal is not wholly frivolous. Counsel for respondent-appellant shall have 35 days from the Clerk's certification of this order within which to file an appellant's brief on appeal addressing whether respondent-appellant received proper notice of the adjudication and termination hearing, see MCR 3.920, and whether the trial court abused its discretion in denying respondent-appellant's motion for an adjournment. Counsel may raise any other related or unrelated issues that counsel deems appropriate after reviewing the record.
