Daniel S. Korobkin
Judges

TALELIA K WASHINGTON V ASCENSION PROVIDENCE HOSPITAL

Docket No. 375177

LC No. 2024-204968-NH

The motion to stay circuit court proceedings is DENIED.

Pursuant to MCR 7.205(E)(2), in lieu of granting the application for leave to appeal, the trial court's decision denying the motion to amend the complaint is PEREMPTORILY REVERSED. The trial court abused its discretion by denying the motion because the proposed amendment would not result in prejudice to the defense. See *Weymers v Khera*, 454 Mich 639, 659; 563 NW2d 647 (1997). The February 26, 2025 order of the trial court is VACATED, and the case REMANDED for entry of an order granting plaintiff leave to file the proposed amended complaint.

This order is to have immediate effect. MCR 7.215(F)(2). We do not retain jurisdiction.
