Court of Appeals, State of Michigan

ORDER

PEOPLE OF MI V SHANNON JAMES GUAY

Docket No. **374660**

LC No. **23-008348-FC**

Mark T. Boonstra, Judge, acting under MCR 7.211(E)(2), orders:

The "motion for leave to order and file late transcripts" is DENIED. The March 29, 2024 transcript has been already been ordered, and the reporter certificate of ordering indicates the transcript will be filed on January 18, 2026. This Court does not consider the ordering of the March 29, 2024 transcript timely and the time for filing appellant's brief will not begin to run anew after the filing of the March 29, 2024 transcript.

The motion to extend time to file appellant's brief is GRANTED to February 16, 2026.
