Court of Appeals, State of Michigan

ORDER

PEOPLE OF MI V PAUL ALEXANDER SHANK

Docket No. **374552**

LC No. **24-002871-FC**

Mark T. Boonstra, Judge, acting under MCR 7.211(E)(2), orders:

The motion to extend time to file a brief pursuant to Administrative Order 2004-6, Standard 4, is GRANTED. The brief filed with the motion is accepted for filing. However, counsel is cautioned that IOP 7.212(F)-3 provides that these motions "to extend time should specifically identify the circumstances" that caused the delay, and counsel's failure to comply with IOP 7.212(F)-3 may result in the denial of such a motion.
