ORDER

PEOPLE OF MI V KYLE TODD SANFORD

Docket No. **373728**

LC No. **2023-026010-FC**

Mark T. Boonstra, Judge, acting under MCR 7.211(E)(2), orders:

The "motion to file late transcripts" is DENIED. Appellant's counsel shall, if she has not already done so, order the March 23, 2024 and March 26, 2024 transcripts on an expedited basis and ensure they are filed in the trial court. MCR 7.210(B)(1) (appellant is responsible for securing the filing of the full transcript of testimony and other proceedings in the trial court). The time for filing appellant's brief shall not begin to run anew, pursuant to MCR 7.212(A)(1)(a)(iii), upon the filing of the late-ordered March 23, 2024 and March 26, 2024 transcripts; such a request is unreasonable when appellant's brief was originally due for this appeal on July 14, 2025. The time for filing appellant's brief shall run pursuant to MCR 7.208. This order is entered without prejudice to appellant's counsel moving to file a supplemental brief on appeal if the March 23, 2024 and/or March 26, 2024 transcripts are not produced for counsel's review before the brief deadline pursuant to MCR 7.208. The motion, if one is filed, must be filed within 28 days of the filing of the late-ordered transcripts with the trial court and be accompanied by a proposed supplemental brief.
