Court of Appeals, State of Michigan

ORDER

CHELSEA MARIE SMITH V SHANE THOMAS

Docket No. **380502**

LC No. **2014-006034-DS**

Michael F. Gadola, Chief Judge, acting under MCR 7.203(F)(1), orders:

The motion to waive fees is GRANTED for this case only.

The application for leave to appeal, the motion for immediate consideration, the motion for stay, and the motion to supplement the record are DISMISSED for lack of jurisdiction. Plaintiff's application seeks leave to appeal an April 22, 2026 order that was entered in lower court no. 2014-006034-DS. But plaintiff, since filing her application, has acknowledged that no order was entered on April 22, 2026, in that case.
