The motion for immediate consideration is GRANTED.

On the Court's own motion, and in accordance with MCR 7.216(A)(4) and (9), the Court orders that defendant-appellant's motion for partial peremptory reversal is HELD IN ABEYANCE pending further order of this Court. Because the prosecution has acknowledged in their appellee's brief that defendant is entitled to 56 additional days of sentence credit, this matter is REMANDED to the Kent Circuit Court. MCR 7.208(A)(1). On remand, and within 7 days of the date of this order, the parties shall file with the circuit court a stipulation to amend the judgment of sentence to reflect the correct amount of sentence credit to which defendant-appellant is entitled. MCL 7.208(A)(2). Upon receipt of the stipulation, the circuit court shall reconsider whether defendant-appellant is entitled to an additional 56 days of sentence credit. Defendant-appellant shall file with this Court a copy of the order or amended judgment that resolves this matter on remand within 7 days of its entry.

This Court retains jurisdiction. This order has immediate effect. MCR 7.215(F)(2).
