Judges

The application for leave to appeal is DENIED for lack of merit in the grounds presented as to the challenge to a condition of probation and the request for resentencing. However, this case is REMANDED to the trial court to clarify the record as to alleged inaccuracy in the presentence report and to direct preparation of a corrected presentence report if it determines it appropriate to do so.

We do not retain jurisdiction.

Presiding Judge

Swartzle, J., would grant the application for leave to appeal.
