Court of Appeals, State of Michigan

ORDER

ESTATE OF ALLEN S WALTANEN V SHAWN MOODY

Docket No. **379708**

LC No. **2023-018127-CK**

Michael F. Gadola, Chief Judge, acting under MCR 7.203(F)(1), orders:

The claim of appeal is DISMISSED for lack of jurisdiction. Appellant literally states that she claims an appeal from a February 11, 2026 order denying motions for reconsideration. But that order is plainly not a final order appealable of right. MCR 7.202(6)(a); MCR 7.203(A). Also, the underlying December 19, 2025 order is not a final order appealable of right. MCR 7.202(6)(a); MCR 7.203(A). The December 19, 2025 order is not a final order under MCR 7.202(6)(a)(1) because it does not dispose of all claims in this case since it leaves plaintiff-appellant's request for partition of the relevant property unresolved. Dismissal is without prejudice to the filing of a delayed application for leave to appeal under MCR 7.205(A)(4), provided such a filing meets all requirements under the court rules and is not time-barred. Alternatively, appellant may be able to timely file a claim of appeal after entry of a final judgment or order under MCR 7.202(6)(a)(i).
