Court of Appeals, State of Michigan

ORDER

MAURICE LARNELL GLOVER V MONROE CIRCUIT COURT JUDGE

Docket No. 379693

LC No. 15-242458-FC

Brock A. Swartzle
Presiding Judge

Thomas C. Cameron

Christopher M. Trebilcock
Judges

The complaint for mandamus to compel the lower court to adjudicate the defendant's motion docketed on June 29, 2025, is DENIED. A complaint for superintending control, and not mandamus, is the proper type of action to seek an order compelling action by a lower court. See, e.g., MCR 7.206; MCR 3.302(A).
