The motion for stay pending appeal is DENIED.

The application for leave to appeal is DENIED for failure to persuade the Court of the need for immediate appellate review. Defendant's application is devoid of any citations to the record below or to legal authority. Defendant cannot simply announce her position and leave it up to this Court to determine the basis for her claim and to search for supporting authority. See *Yee v Shiawassee County Bd of Comm'rs*, 251 Mich App 379, 406; 651 NW2d 756 (2002). Absent meaningful argument from defendant, from the available record, we discern no need to review the trial court's interim order prior to the trial scheduled in June.
