Judges

The motion to waive fees is GRANTED for this case only.

The motion to remand is DENIED.

The delayed application for leave to appeal is DENIED because defendant has failed to establish that the trial court erred in denying the motion for relief from judgment. As the appellant here, defendant bears "the burden of furnishing . . . a record to verify the factual basis of any argument upon which reversal [i]s predicated." *People v Elston*, 462 Mich 751, 762; 614 NW2d 595 (2000). Defendant did not provide any evidence to support his various claims of error—not even defendant's own affidavit—thus precluding appellate review at the outset of this application.
