Court of Appeals, State of Michigan

ORDER

ROBERT BROWN V INTERURBAN TRANSIT PARTNERSHIP

Docket No. **378841**

LC No. **24-012251-NI**

Michael F. Gadola, Chief Judge, acting under MCR 7.203(F)(1), orders:

The claim of appeal is DISMISSED for lack of jurisdiction. MCR 7.203(A)(1). The December 14, 2025 "opinion & order denying plaintiff's motion for reconsideration" is not a final order appealable by right. *Nye v Gable, Nelson & Murphy*, 169 Mich App 411, 415; 425 NW2d 797 (1988). Further, to the extent that plaintiff-appellant was attempting to appeal from the November 12, 2025 "opinion & order denying in part and granting in part defendants' motion for summary disposition" or the December 17, 2025 "amended opinion & order granting defendants' motion for summary disposition," neither the November 12, 2025 order nor the December 17, 2025 amended order is a final order as defined in MCR 7.202(6)(a)(i). Plaintiff's claims against Progressive Michigan Insurance Company remain pending. Dismissal is without prejudice to the filing of a late appeal under MCR 7.205(A)(4), provided such a filing meets all requirements under the court rules and is not time-barred.
