Court of Appeals, State of Michigan

ORDER

TENISHA HAMPTON V GREGORY JONES

Docket No. **378703**

LC No. **17-163353-DP**

Christopher M. Murray, Judge, acting under MCR 7.211(E)(2), orders:

The motion to waive fees is DENIED because the information provided by defendant is insufficient to determine whether he is entitled to a fee waiver under MCR 2.002.

Within 21 days of the Clerk's certification of this order, appellant shall pay to the Clerk of the Court the entry fee of $375, as well as all outstanding motion fees, as follows: $200 (motion for immediate consideration); $100 (motion for stay); and $100 (motion to waive requirements of MCR 7.209). Failure to pay the entry fee will result in dismissal of the appeal. Failure to pay any outstanding motion fees will result in striking the affected motions.

The Court further notes that, from defendant's "declaration concerning financial status," defendant may be requesting that transcript production costs be waived. If so, such a request should be directed to the trial court, not this Court. Defendant is reminded that, pursuant to MCR 7.205(B)(4), he is responsible for providing this Court with proof of ordering all of the transcripts needed to facilitate appellate review, and then filing such transcripts with this Court as soon as they are available. If appellant fails to provide proof that the necessary transcripts have been ordered, his application for leave to appeal will be subject to dismissal under MCR 7.201(B)(3) and MCR 7.216(A)(10).
