Court of Appeals, State of Michigan

ORDER

In re Duneske

Docket No. **378885**

LC No. **26-000000**

Michael F. Gadola, Chief Judge, acting under MCR 7.203(F)(1), orders:

The complaint for superintending control and all motions are DISMISSED for lack of jurisdiction. Pursuant to MCR 7.203(C)(1), this Court has jurisdiction to entertain a complaint seeking a writ of superintending control over "a lower court or tribunal *immediately below it* arising out of an action or proceeding which, when concluded, *would result in an order appealable to the Court of Appeals*[.]" (Emphasis added.) The 36th District Court is not a court immediately below this Court, nor would an order concluding proceedings in that Court be appealable directly to this Court. As such, this Court lacks jurisdiction over this complaint.
