Court of Appeals, State of Michigan

ORDER

IN RE BURGESS

Docket No. **378449**

LC No. **25-002115-GC**

Stephen L. Borrello, Chief Judge Pro Tem, acting under MCR 7.203(F)(1), orders:

The complaint for superintending control and any accompanying motions are DISMISSED for lack of jurisdiction. Pursuant to MCR 7.203(C)(1), this Court may "entertain an action for . . . superintending control over a lower court or a tribunal *immediately below it* arising out of an action or proceeding which, when concluded, *would result in an order appealable to the Court of Appeals*[.]" (emphasis added.) Plaintiff seeks a writ of superintending control over a 27th District Court Judge. The district court is not a court immediately below this Court, and an order concluding those proceedings would not be appealable directly to this Court. As such, this Court lacks jurisdiction over this complaint.
