Court of Appeals, State of Michigan

ORDER

IN RE SANDERS ESTATE

Docket No. **378239**

LC No. **24-000487-DE**

Mark T. Boonstra, Judge, acting under MCR 7.211(E)(2), orders:

The motion "for transcript at public expense or, in the alternative, for leave to proceed by settled statement under MCR 7.210(A)(2), and to extend time to file appellants' brief" is DENIED. Appellants' request for the preparation of the transcript at public expense or, in the alternative, for permission to proceed with a settled statement of facts in lieu of the transcript, MCR 7.210(B)(2), is DENIED AS MOOT because the stenographer's certificate for the October 14, 2025 hearing transcript was previously filed in Docket No. 377927. Appellants' request for an extension of time to file brief on appeal is DENIED AS MOOT because the time for filing appellants' brief runs from the filing of the October 14, 2025 hearing transcript in the trial court in accordance with MCR 7.212(A)(1)(a)(iii).

The answer to appellants' motion is STRICKEN for failure to e-serve Joshua R. Fink with the answer.

The motion for leave to file reply to answer is DISMISSED AS MOOT.
