The complaint for superintending control is DENIED AS MOOT. Defendant's complaint asks this Court to compel the trial court to resolve a motion for relief from judgment in light of an order of this Court remanding for reconsideration of the motion. See *People v Brown*, unpublished order of the Court of Appeals, entered March 9, 2023 (Docket No. 363234). On November 26, 2025, the trial court entered an order adjudicating the motion for relief from judgment at issue. Accordingly, this complaint is moot.
