Court of Appeals, State of Michigan

ORDER

JOSEPH S DULAK V MENOMINEE COUNTY ELECTION COMMISSION

Docket No. **377540**

LC No. **25-018006-AA**

Michael F. Gadola, Chief Judge, acting under MCR 7.211(E)(2), orders:

The motion for immediate consideration is GRANTED.

The motion to expedite appeal is DENIED. This is without prejudice to the filing of a new motion to expedite appeal based on a substantial change of circumstances such as the recall petition at issue being submitted per MCL 168.961 and a determination being made that it has sufficient valid signatures to require the holding of a recall election.
