The motion to waive fees is GRANTED for this case only.

The motion for immediate consideration is GRANTED.

The "motion to accept filing by alternate means" or alternate relief is DENIED AS MOOT. Generally, this motion asks this Court to deem the application timely because of technical issues appellant encountered while filing electronically. However, because the 21st day after entry of the challenged order was Monday, September 1, 2025, a Court holiday, the application was timely when filed the following day, Monday, September 2, 2025. MCR 1.108(1).

The "motion for short extension if needed" is DENIED AS MOOT. This motion concerns defects in appellant's filing. As the matter is not being dismissed for failure to cure defects, the motion is moot.

The application for leave to appeal is DENIED for lack of merit in the grounds presented.

The motion for stay pending appeal is DENIED.
