Court of Appeals, State of Michigan

ORDER

PEOPLE OF MI V COLE STEVEN GILDE

Docket No. 376429

LC No. 13-002602-FC

James Robert Redford
Presiding Judge

Randy J. Wallace

Christopher M. Trebilcock
Judges

The motion to waive fees is GRANTED for this case only.

The application for leave to appeal is DENIED for lack of merit in the grounds presented.

Presiding Judge

Wallace, J., concurs with the decision to deny the application for leave to appeal for lack of merit on the grounds presented. I write separately to note that defendant's filing in the trial court does not constitute a motion filed under subchapter 6.500, because defendant did not request relief under that subchapter. Rather, he requested appointment of an attorney who could file such a motion on his behalf. Because defendant did not provide the trial court with any authority permitting it to appoint counsel in such a circumstance, I concur that the application for leave to appeal the order of the trial court, which denied defendant's request, should be denied.
