The motion to withdraw is DENIED for reasons that the appeal is not wholly frivolous. Counsel for defendant-appellant shall have 35 days from the Clerk's certification of this order within which to file a brief in support of the application for leave to appeal addressing, at minimum, the following issues:

(1) whether the trial court had authority to impose the consecutive sentences that it did in this case, see MCL 768.7b; *People v St John*, 230 Mich App 644, 646; 585 NW2d 849 (1998);

(2) if so, whether the trial court stated a sufficient independent justification as to each of the consecutive sentences that were imposed, see *People v Norfleet*, 317 Mich App 649, 664-665; 897 NW2d 195 (2016); and

(3) regardless, whether the imposition of the nonmandatory consecutive sentences in this case constituted an abuse of discretion, see *id*. at 664.
