The motion for immediate consideration is GRANTED.

The motion for peremptory reversal pursuant to MCR 7.211(C)(4) is GRANTED for the reason that the trial court erred by summarily dismissing the praecipe for defendant's application to set aside her conviction without making the findings required by MCL 780.621d(13), as conceded by the prosecutor.

The order dismissing the praecipe is REVERSED and the cause is remanded for reconsideration of the application to set aside defendant's conviction.

We do not retain jurisdiction.
