Rule 4.303 Notice

(A)-(C) [Unchanged.]

(D) Dismissal for Lack of Progress. On motion of a party or on its own initiative, the court may order that an action in which no progress has been made within 91 days be dismissed for lack of progress. A dismissal under this subrule is without prejudice, unless the court orders otherwise.

Staff Comment (ADM File No. 2022-33): The proposed amendment of MCR 4.303 would allow courts to dismiss small claims cases for lack of progress.

The staff comment is not an authoritative construction by the Court. In addition, adoption of a new rule or amendment in no way reflects a substantive determination by this Court.

A copy of this order will be given to the Secretary of the State Bar and to the State Court Administrator so that they can make the notifications specified in MCR 1.201. Comments on the proposal may be submitted by January 1, 2024 by clicking on the “Comment on this Proposal” link under this proposal on the [Court’s Proposed & Adopted Orders on Administrative Matters](#) page. You may also submit a comment in writing at P.O. Box 30052, Lansing, MI 48909 or via email at ADMcomment@courts.mi.gov. When submitting a comment, please refer to ADM File No. 2022-33. Your comments and the comments of others will be posted under the chapter affected by this proposal.

I, Larry S. Royster, Clerk of the Michigan Supreme Court, certify that the foregoing is a true and complete copy of the order entered at the direction of the Court.
