Court of Appeals, State of Michigan

ORDER

PEOPLE OF MI V CHRISTINE MARIE GILROY

Docket No. **373372**

LC No. **2021-006210-FH**

Michael F. Gadola, Chief Judge, acting under MCR 7.211(E)(2), orders:

The motion to replace unsigned affidavit with signed and notarized copy is GRANTED. The Clerk's Office shall replace the unsigned copy of an affidavit from defendant provided with the appellant's brief and motion to remand (both filed on May 29, 2025) with the signed copy provided with the present motion.

This order does not affect the denial of the motion to remand in this Court's July 23, 2025 order. Rather, it allows for consideration of the signed and notarized copy of the affidavit by the case call panel to whatever extent it considers necessary and appropriate.
