Court of Appeals, State of Michigan

ORDER

PEOPLE OF MI V ROGER CARLOS RAY

Docket No. 365913

LC No. 93-004008-01-FC

Christopher M. Murray
Presiding Judge

Stephen L. Borrello

Philip P. Mariani
Judges

The motion for immediate consideration is GRANTED.

The motion for release on bond is DENIED.

Presiding Judge

Mariani, J., would grant both the motion for immediate consideration and the motion for release on bond, as the trial court's denial of release was not supported by the requisite determination that "the proof of the defendant's guilt is evident or the presumption of the defendant's guilt is great." *People v Davis*, 337 Mich App 67, 77; 972 NW2d 304 (2021).
