Court of Appeals, State of Michigan

ORDER

IN RE C C M BASKIN MINOR

Docket No. 374097

LC No. 2024-000868-NA

Michael J. Riordan
Presiding Judge

Christopher M. Murray

Allie Greenleaf Maldonado
Judges

On its own motion, the Court ORDERS appellant's counsel to be prepared to discuss at oral argument whether it was plain error for the trial court to order termination of parental rights without a finding regarding the statutorily required aggravating circumstances or to fail to require the DHHS to provide reasonable efforts at reunification.

Either petitioner-appellee or respondent-appellant may file a supplemental brief addressing these matters by January 12, 2026.
