The application for leave to appeal is DENIED for failure to persuade the Court of the need for immediate appellate review.

Presiding Judge

Rick, J., I dissent. In lieu of granting the application for leave to appeal, I would VACATE both the January 22, 2026 order and the February 18, 2026 order, and REMAND the matter to the Washtenaw Circuit Court for additional proceedings. On remand, I would direct the trial court to reconsider plaintiffs' motion to strike defendants' supplemental preliminary and expert witness list and defendants' motion for leave to amend witness list in light of *Smith v Beaumont Health*, ___ Mich ___; ___ NW3d ___ (2026) (Docket No. 167716).
