

Name: Jennnifer Thom

Date: 10/13/2022

ADM File Number: 2020-08

Comment:

Changes in procedure, adopted in the midst of a pandemic, with the goal of avoiding homelessness amongst the masses who were collateral damage in an unprecedented moment in history were appropriate.

As we exit this moment in history, it is important to give serious consideration to the perception of fundamental fairness on behalf of the plaintiffs in these cases in the event these practices become permanent fixtures in our state courts.
