

Name: Judge William Baillargeon

Date: 10/13/2022

ADM File Number: 2020-08

Comment:

I do not have a problem with keeping a pretrial, I think that it can certainly be conducted by a magistrate. To change the rule to not allow an attorney magistrate to conduct the pretrial would disastrously hinder our ability to manage this high volume docket. I also do not see the necessity of placing this on the record.
