Court of Appeals, State of Michigan

ORDER

DIXIE BRAND-HEGENAUER V SONJA ROUNDS

Docket No. **379444**

LC No. **2024-001204-CH**

Michael F. Gadola, Chief Judge, acting under MCR 7.211(E)(2), orders:

The motion captioned as a motion to reinstate appeal is treated as a motion for reconsideration of this Court's March 31, 2026 order dismissing the claim of appeal. The motion is GRANTED, and the appeal is REINSTATED.

Appellant shall file a copy of the lower court register of actions and a jurisdictional checklist with this Court within 21 days after the date of this order. Notably, the motion for reconsideration appears to mistakenly use the term "docketing statement" rather than referring to the lower court register of actions which must be filed. A docketing statement is not a document that appellant would obtain from the lower court, but rather a form that she must complete and file with this Court per MCR 7.204(H). Appellant shall complete and file a docketing statement with this Court within 28 days after the date of this order.

Failure to comply with this order may result in this appeal again being dismissed.
