The motion to waive fees is GRANTED for this case only.

The motion for immediate consideration is GRANTED, but only insofar as the pending motions are given immediate consideration. Any other requests made in the motion for immediate consideration are DENIED.

The motion to waive transcript costs or to compel the production of transcripts at public expense is DENIED. Appellant remains responsible for providing this Court with a copy of the pertinent transcript(s). See MCR 7.205(B)(4). Appellant shall have 21 days from the entry of this Court's order to produce the transcripts. Failure to do so may lead to dismissal for failure to pursue the case in conformity with the Court Rules. MCR 7.201(B)(3).

The motion to "Complete the Record" is DENIED.

The motion to "Remand to Settle and Supplement Record, and to Accept Master Exhibit as an Offer of Proof" is DENIED.

Defendant's filings at times reference the Americans with Disabilities Act, 42 USC 12101 *et seq*. Defendant did not, however, make a request for accommodation on the SCAO MC 70 form required of litigants, therefore we do not address these references.
