Appellee,

and

MUSTANG MILE SOLAR ENERGY, LLC, and CONSUMERS ENERGY COMPANY,
Intervening Appellants.

On order of the Court, the application for leave to appeal the October 6, 2025 judgment of the Court of Appeals is considered. We direct the Clerk to schedule oral argument on the application. MCR 7.305(I)(1). The parties shall file supplemental briefs in accordance with MCR 7.312(E), addressing: (1) whether the Court of Appeals erred in holding that the Lenawee Circuit Court, in affirming the decision of the Macon Township Board of Trustees, applied incorrect legal principles; (2) whether the Court of Appeals erred in holding that the circuit court misapprehended or grossly misapplied the substantial evidence test to the township board of trustees' factual findings; and (3) whether the Court

of Appeals erred in deciding the case on grounds not raised by the parties. The total time allowed for oral argument shall be 40 minutes: 20 minutes for the appellants, and 20 minutes for the appellees, to be divided at their discretion. MCR 7.314(B)(2).

Amici who appeared at the application stage are invited to file supplemental briefs amicus curiae. The Michigan Municipal League, Michigan Townships Association, Michigan Association of Counties, and the Government Law Section of the State Bar of Michigan are invited to file briefs amicus curiae. Other persons or groups interested in the determination of the issues presented in this case who are not exempt from the motion requirement under MCR 7.312(H) may move the Court for permission to file briefs amicus curiae.

I, Elizabeth Kingston-Miller, Clerk of the Michigan Supreme Court, certify that the foregoing is a true and complete copy of the order entered at the direction of the Court.
