Michigan Court of Appeals

Re: *Zokhidov v Bubnova*, COA no. 377025

Dear Clerk:

I represent Appellee/Cross-Appellant Maria Bubnova. I am filing the following:

1. An amended motion for leave to file a brief beyond the word limit. I corrected the original motion generally, and corrected paragraph 4 to indicate that the word limit applies to a single brief and this is a combined brief. I request that the earlier motion for leave be withdrawn;
2. Corrected front pages for the Combined Brief on Appeal, filed earlier. These are stenographic/typographical corrections and page number corrections. The issue headings have not been edited – with the exception that the Relief section was moved to the end of the Table of Contents (it had been erroneously placed in between the Appellee's Issues and the Cross-Appeal Issues); and
3. An appendix for the combined brief.

Please let me know if there is anything else that is needed. Thank you.

Sincerely yours,

/s/ Anne Argiroff
Attorney for Appellee/Cross Appellant
