Court of Appeals, State of Michigan

ORDER

DOUGLAS CROZIER V CINDA JO SHUMAKER

Docket No. **378036**

LC No. **24-013660-CZ**

Brock A. Swartzle, Judge, acting under MCR 7.211(E)(2), orders:

The motion to file an appellant's brief exceeding 16,000 words is DENIED for failure to demonstrate extraordinary and compelling reasons requiring the excess length. The brief that was received with this motion is not accepted for filing. A conforming appellant's brief, i.e., an appellant's brief of 16,000 or less countable words, shall be filed within 21 days after the date of this order and will be docketed as timely filed if so filed. Failure to file a conforming appellant's brief within that time period will result in this case being placed on the involuntary dismissal docket. The filing of a motion to extend time for filing a conforming appellant's brief will not preclude this case from being placed on the involuntary dismissal docket if a conforming appellant's brief is not filed within 21 days after the date of this order.
