

Name: Joseph Palazzolo

Date: 10/28/2022

ADM File Number: 2020-08

Comment:

So with the stroke of a pen you make it easier for the lawless to steal and harder for the law-abiding to seek justice.

And you wonder why no one trusts the government any more?

Look in the mirror. If this goes into effect you just took another bite out of democracy with no justifiable reason!!!!

This is a huge blemish on the courts of Michigan
