Judges

The motion to waive fees is GRANTED for this case only.

The motion for immediate consideration is GRANTED.

The motion for stay is DENIED.

The complaint for superintending control is DENIED. We note that, as in Docket No. 380623, this matter was opened despite the fact that plaintiff once again did not comply with the Court Rules in filing this matter. We also find no merit to the complaint. As explained in this Court's order in Docket No. 380623, we caution plaintiff that continuing with such filings in this Court may lead to an order deeming him a vexatious litigator and imposing filing restrictions or other sanctions under MCR 7.216(C).
