The motion for immediate consideration is GRANTED.

The motion to dismiss is DENIED IN PART to the extent it requests dismissal of these appeals pursuant to MCR 7.211(C)(2)(b). Within 21 days of the Court's certification of this order, defendants-appellants shall ensure the filing of a stenographer's certificate with the Clerk of this Court, showing that defendants-appellants have ordered, on an expedited basis, the transcripts of all trial court hearings that were not previously transcribed for these cases, including but not limited to transcripts of hearings held on August 25, 2025, August 29, 2025, September 24, 2025 and October 15, 2025. MCR 7.210(B)(1)(a). After the court reporter prepares and files the outstanding transcripts, defendants-appellants shall serve copies of those transcripts on counsel for plaintiff-appellee. MCR 7.210(F). The time for filing plaintiff-appellee's brief on appeal shall begin to run, MCR 7.212(A)(2)(a)(ii), when the last of the newly-ordered transcripts is filed in the trial court by the court reporter. The failure of defendants-appellants to ensure the filing of the stenographer's certificate in accordance with this order will result in the dismissal of these appeals without further notice to the parties.
