The motion for substitution of party is GRANTED IN PART to the extent that it is construed as a motion under MCR 7.216(A) to invoke this Court's discretion, on terms it deems just, to allow substitution, addition, or deletion of parties, and the Court accordingly orders that DCM City View Lender LLC is added as a defendant-appellee, subject to a later determination as to whether Midland States Bank should be deleted as a defendant-appellee.
