Re: People v Lee Charles Gales
Case No. 376527

Dear Sir or Madam,

This letter is intended to address a phone call that I received from the Court earlier today. I filed my brief on appeal in the above captioned case on September 23, 2026. I erroneously believed that the brief was due on September 22, 2026, so I filed a motion for a one day extension with the brief. The Court has advised me that my brief was in fact timely and therefore a motion was not needed. For this reason, I ask that the Court withdraw the motion I filed on September 23, 2026, and simply endorse me for oral argument since the brief was timely filed.

Thank you for informing me of my error and I apologize for the confusion.

Sincerely,

alona sharon

Alona Sharon
